ABSENCE:

Parents and Caregivers are asked to notify the school office (247-5650) **before 8:45 AM** if your child/children will be absent from school. A written excuse must be presented to the teacher on the day your child returns. If an excuse is not presented to the teacher within three days after the child's return to school, the child will be marked illegally absent. A written excuse is also required for tardiness.

VACATION AND EXTENDED ABSENCES:

Saint Pius Tenth School recognizes the importance of vacations to families and thus our calendar provides several recess periods throughout the school year to accommodate this need. When students are absent from school due to extended family vacations, however, important instructional time is lost and may be difficult to make up. Therefore, the staff and administration discourage vacations that would cause children to be absent from school. Please take time to plan vacations with your child's academic development in mind.

BUS SERVICE AND DISMISSAL:

Saint Pius Tenth students depend on many buses for transportation. Students may only ride on the bus assigned by their home district to and from school. Complete cooperation with the bus driver is necessary at all times. Students should remember the responsibility of each bus driver and make every attempt to make his/her work easier by proper behavior, language, and obedience. Any student who is reported as causing trouble on the school bus is subject to providing his/her own transportation according to State Law.

DIGNITY FOR ALL STUDENTS ACT:

Saint Pius Tenth School adheres to the New York State's Dignity for All Students Act (The Dignity Act) which seeks to provide a safe and supportive environment free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus, at a school function, or in any situation in representation of our school. All Diocese of Rochester Catholic Schools have implemented the *Olweus Bullying Prevention Program*, which is based on over 35 years of research, dedicated to effecting positive change at schools by utilizing four essential social environments: community, school, classroom, and individual. The *Olweus Bullying Prevention Program* effectively trains our school leaders and school teachers on the latest research regarding bullying and effective methods to prevent it and address it. Diocese of Rochester Catholic Schools have pledged to eliminate bullying as best as possible by not only posting and enforcing school wide rules against bullying, but by applying our key instrument: involving parents.

EARLY DISMISSAL/LATE ARRIVAL:

When it is absolutely necessary for a student to be dismissed early, he/she must bring a written excuse from his/her parents/guardians stating the time and reason for the request. Parent or legal caregiver must report to the office for the student and sign for release. No student is released from school to walk home during school hours. Any student arriving late must be signed in at the main office by a parent or guardian.

HOMEWORK:

- A. Each teacher will set up homework regulations for his/her class according to suggested Diocesan Policy: 40-60 minutes – grades 4 and 5, 20-30 minutes grade 3, and age-appropriate lengths for K-2. If you are in doubt about such requirements, please check with the teacher.
- B. It must be remembered that not all children accomplish the same amount of work in the same amount of time. Some children will find it necessary to spend more time to complete only a minimum amount of work. This is especially true when children are making up work due to an absence. Please communicate with your student's teacher(s) with a need to adjust.
- C. If your child is making up work due to an absence, arrangements can be made by contacting the school. Please notify the school early in the day and assignments will be ready at dismissal.

LIBRARY & COMPUTER RESOURCE CENTERS:

- A. Students are expected to know the rules of the library/computer resource centers, as they are disseminated at the beginning of the school year, and to conform to these rules.
- B. Students and parents/caregivers are asked to sign and adhere to the school's "Acceptable Use of the Computer Network and Internet Policy" at the start of each school year.
- C. Equipment damaged by students will be subject to repair cost, fine or replacement cost.
- D. A replacement cost is charged for lost library books.

LUNCH:

- A. All pupils in grades K-5 eat lunch in the school cafeteria. Students must bring a lunch and drink every day for lunch.
- B. All lunch boxes should be marked with child's name and grade.
- C. Students **should not** bring food or beverages in glass containers.
- D. We ask that no soda be sent in with a child's lunch.

OFF-SITE LEARNING EXPERIENCES:

- A. Off-Site Learning Experiences are permitted and encouraged when they are for educational purposes. Transportation for these trips will be provided by means of a public carrier.
- B. Permission slips must be signed by a parent or guardian to permit a student to participate in an off-site activity.

PHOTO/MODEL RELEASE POLICY:

- A. Minors: Photos and images of minors (children under 18 years of age) may be included in print and Web publications only when the parent/guardian signs a Model Release. If no Model Release is available, photos and images of minors may only be included in print and Web publications and video productions when the minors' faces are indistinguishable (i.e., turned away from the camera or otherwise unidentifiable).
- B. Adults: Saint Pius Tenth School does not require signed release form to publish images of adults.

- c) The medication in its original, properly marked container must be delivered to the nurse by the parent/caregiver.

C. SCREENING:

1. All students are screened for vision, hearing, height, and weight annually. If you have concerns during the school year, please call the nurse.
2. Students in grades 4 and 5 will be screened for scoliosis, as mandated by NYS, during March and April.

PESTICIDE NEIGHBOR NOTIFICATION LAW SECTION 409-H:

In adherence to New York State Section 409-H Education Law, Saint Pius Tenth School does not use any pesticide products in its school or on its grounds.

PHYSICAL EDUCATION:

On days that students have physical education, the physical education uniform will be the required dress code. (For description, see Uniform Policy and Dress Code Section)

PROTECTION OF CHILDREN AND YOUNG PEOPLE:

The Catholic Schools of the Diocese of Rochester and Saint Pius Tenth strive to provide a safe and secure environment. Our school endorses the principles of “Project SAVE” –Safe Schools Against Violence in Education. To this end, staff members of Saint Pius Tenth School, on a continuous basis, receive training for the promotion of a safe school environment.

Acts of aggressive behavior, threats of violence, bullying, teasing and destruction of property are not conducive to a safe environment. These types of behavior will not be tolerated and when necessary, the administration will take appropriate corrective action in regard to the offending individual(s).

Additionally, Saint Pius Tenth School adheres to the Charter for the Protection of Children and Young People. Detailed information concerning the Charter can be found at www.dor.org/index.cfm/safe-environment.

REPORT CARDS AND CONFERENCES:

Communication between teachers and parents is vital to a sound and positive educational program. As a result, we will be sending periodic progress reports home during all four quarters of the school year. Report cards will be issued four times a year (November, January, April, and June) for students in grades K-5.

Parent-teacher conferences will be held in the month of January. Since communication between teacher and parent is very important, we urge you to attend your scheduled conference. We also recognize that there may be questions about your students’ progress prior to these conferences. If that is the case, please contact your student’s teacher to schedule a conference. If students are struggling academically, teachers may also make a conference requests with families prior to the scheduled conference date as well. **VISITORS ARE REQUESTED TO REPORT TO THE SCHOOL OFFICE BEFORE GOING TO ANY CLASSROOM.**

RECESS:

Parents are reminded that our students have recess, weather permitting, each day. Children should come to school properly dressed for the weather so that they may participate in outdoor recess.

SCHOOL APPOINTMENTS AND SCHOOL VISITS:

If you wish to confer with the school about your child's progress, we encourage parents/caregivers to contact the classroom teacher. Appointments to see the principal or teacher(s) may also be made by calling the school office, 247-5650, between the hours of 8:00 AM and 3:30 PM, Monday through Friday.

Saint Pius Tenth School welcomes guests to visit and observe programs by appointment. Visitors are required to adhere to guidelines involving safety and security issues and will be expected to show consideration for the school's academic schedule and program while visiting our school.

SCHOOL CLOSING:

If school will be closed due to inclement weather or other uncontrollable conditions, information will be given over local radio stations from 7:00 AM on. **We follow the Gates-Chili Public School closing.** Required code numbers assigned to all county schools make this information reliable.

SCHOOL DISCIPLINE:

Student discipline at Saint Pius Tenth school is focused on ensuring that students are caring for themselves, each other, and our building.

Rules concerning student conduct and sanctions for major infractions are clearly discussed with the students and parents at the beginning of each school year. Administration of disciplinary action is the responsibility of the classroom teacher. Every effort is made to assure that discipline is fair and proportionate to the infraction. We use a variety of disciplinary measures to ensure a safe learning environment for students and to help students learn how their behavior affects others. Parents/Caregivers will be informed if students persist in misbehaving. Exceptional cases are referred to the principal.

The Saint Pius Tenth School Administration reserves the right to discipline students for conduct on or off school property that is detrimental to the school culture and environment.

SCHOOL FACILITIES:

All students should be mindful of the necessary care and attention that must be shown toward all school property. This applies to desks, lavatories, corridors, floors, materials, electronic devices, and extends to every part of the school. All students should be proud of their school, and all should be equally conscious of the care that is needed to maintain the school grounds and building.

STUDENT HARRASSMENT:

The Diocese of Rochester and the Department of Catholic Schools support the belief that all administrators, teachers, staff, and students are entitled to be treated with dignity and respect, and to learn and work in a safe environment free of harassment. 2. Please use the side entrance at the southeast end of the building for arrival and dismissal.
3. Children will not be admitted to the classroom until 8:45 AM. It is important for the children to be prompt. Latecomers disrupt the atmosphere and cause distractions to those already engaged in activity.
4. Since the teacher spends his/her time immediately after each session preparing the classroom, it is necessary that the children be picked up promptly at 11:30 AM and 3:10 PM.

Please mark all items of clothing with child's name. Loops should be sewn at the neck of coats, jackets, and sweaters, since each child is responsible for hanging up his or her own clothing.

CONFERENCES:

Parent/Caregiver-Teacher conferences will be held at specified times during the year. At these conferences, your child's progress will be discussed. Progress reports will be issued in January and June. If the parent/caregiver or teacher needs to discuss the child outside of these conferences, arrangements can be made through the School Office by calling 247-5650 between 8:00 AM and 4:30 PM.

ILLNESS:

If a child becomes ill or has an accident during class, he/she will be taken to the Health Room and parent/caregiver will be notified immediately. As a prerequisite, all children are expected to be toilet trained before they start Pre- School.

IMMUNIZATIONS:

The Diocese of Rochester and its Affiliated Employers follow New York State Public Health Law which requires every student entering school to be immune to diphtheria, tetanus, pertussis, measles, mumps, rubella, poliomyelitis, hepatitis B, varicella and meningococcal in accordance with Advisory Committee on Immunization Practices (ACIP) recommendations and the NYS Public Department of Health Immunization Laws and Regulations. Providing quality Catholic education in a Christ-centered, caring, learning atmosphere is the fundamental reason for the existence of Saint Pius Tenth School. We are a community striving to live the Gospel message of Jesus Christ. Instruction in Catholic faith and values is taught in the classroom and permeates all areas of learning and living. Saint Pius Tenth School establishes an environment that enables understanding and acceptance of the values of cooperation, honesty, self-discipline, service, and respect for others, as lived and modeled by Jesus and the disciples.

Teachers and staff believe that every human being is important, unique, and special. Therefore, they strive to instill a strong sense of self-worth in each child. Every effort is made to educate the whole child – to meet his or her needs intellectually, emotionally, physically, and spiritually in today’s world.

Saint Pius Tenth School seeks to provide students with a true sense of community – a spirit of belonging that is based on acceptance, growth, and shared experiences of worship, prayer, and fun. By living and learning in a faith community, children become caring and concerned members of the total world family. Commitment to support Catholic School Education is a vision shared by the greater Catholic community.
