The scholarship supports the Department of Catholic Schools' mission to educate, inspire, and develop children into future leaders of the Church and community.

An online application process will assist in determining eligibility based on the National Standards for Free and Reduced-Priced Lunch. The Department of Catholic Schools will assist **new** families with selecting and enrolling in a school location throughout the application process.

To qualify, you must meet the income standards for Free or Reduced-Price Lunch below:

Income Eligibility Guidelines for Scholarship Program

Scholarship recipients are required to be in good academic standing, maintain enrollment and appropriate attendance, and are expected to follow the rules and procedures outlined in the school's Code of Conduct. They should contribute to a positive learning environment and show respect to other people and to property. Students who do not meet these requirements will not be eligible for a scholarship regardless of their financial needs.
