The Ascension of the Lord

Greetings Saint Pius Tenth School Families!

*** We have a **lot of information** to bring to your attention this week. We ask that you take the time to read each item carefully, as this is our main source of communication, and many common questions are answered utilizing this medium. Thank you!

Box Tops for Education:

Download app and scan receipt. It's that easy!

Our Spring Challenge continues with 5th Grade still leading the way!

Important dates:

May 18 – School Liturgy (Ascension Thursday)

Please be sure that students are in **full uniform, even if they have PE

May 26 – 29 – Memorial Day Holiday (**no school**)

June 2 – School Liturgy

June 2 – 5th Grade Retreat

June 14 – Spring Concert

June 15 – Last Day of School for Pre-K 3

June 16 – Last Day of School for Pre-K 4

June 19 – Juneteenth (**no school**)

June 21 – Field Day

June 22 – Grade 5 Commencement Mass and Reception – **2:00 PM**

June 22 – Last Day of School Grades K – 5

Families & All Parishioners!!!!!!

Our Knights of Columbus Council is sponsoring a **Communion Breakfast** after the 9:30 mass on Sunday May 21st. All are welcome. A Communion Breakfast is an old Catholic Tradition where parishioners attend mass, receive communion, and follow it up with a shared breakfast afterward. We hope this will help foster our sense of Catholic community and purpose.

French toast, eggs, sausage, juice, and coffee will be served.

Please RSVP on the Knights of Columbus website: kofc17086.square.site. Cost is \$1 per person, \$5 max for a family of 5 or more.

SAVE THE DATE

Please mark your calendars for our **Spring Concert**, which will be held on **June 14th** in the school gymnasium. We will have two performances – 1:30 PM and 6:30 PM. Students are most welcome to come back with families for the evening performance.

June 14th will be a “Red, White, and Blue Dress Down Day” for everyone, since it is Flag Day, and we would ask that students wear those colors for both performances.

RSVP forms have been sent home. If you haven’t already, please return that form so we know the numbers we will be able to accommodate for the evening performance.

We are thrilled to be sharing with you the wonderful music that our students have been working on this year with both vocal and band presentations! All are welcome.

2023 St. Pius Tenth School Golf Tournament and Community Fundraising Dinner

Please join us this year for our **Golf Tournament** and **Community Fundraising Dinner**. A bit different than in years past, the dinner will be held in the St. Pius Tenth Parish Center. Please note that, while we would love to see you on the golf course, you do not necessarily have to golf to attend the dinner. The registration form and detailed information is included in this week’s communication. Feel free to call with any questions.

Save the Date! The Diocese of Rochester will again be celebrating Catholic Schools Day at Innovative Field (formerly Frontier Field) for a **Rochester Red Wings Game** on June 4, 2023, at 1:05 PM. Tickets will be available only online this year, at the following link:

[Catholic Schools Day - June 4 @ 1:05pm - St Pius School](#)

Have a Blessed and Wonderful Rest of the Week!

Keeping Our Children Safe

By: Anne Sabo

Our children have the world at their fingertips and may carry it in their pocket with access to the Internet from a variety of devices. While that access offers them the opportunity for education and entertainment, it also comes with many risks to both their physical and emotional well-being. Therefore, it is our role as parents/guardians and teachers to be sure our children are safe and well prepared as they launch their voyage around the world. We need to travel with them and keep informed of their encounters along the way.

Children are using the internet for a variety of reasons. We need to stay current on their activities and be sure to give them guidance on their usage.

Communicating and social networking: Online communication is constantly changing. It seems there are new platforms on an almost daily basis. Children may be using these platforms to share gossip, exchange photos, make weekend plans, find out about missed assignments, connect over common interests, and share their opinions. The downside is they may become a target of strangers, predators, and cyber bullies. It is important that their trusted adults know who they are communicating with online. Ask your child if he/she really knows his/her online friends and have him/her remove anyone whom he/she has not met in person. We also need to remind them not to share personal information like a phone number, address or photos.

Web surfing: Children can explore new interests,

check to see if a library book is available, or find a new recipe they would like you to make in the many valuable resources found online. However, surfing without guidance may open them up to pop-up ads, viruses, and inappropriate content.

How many of you have been amazed at how much time can be lost in our travels online? It is also important to limit the amount of screen time your child has each day.

Gaming: Children are able to find a wide variety of games on the internet. Although many may provide educational enrichment or reinforcement, video games may limit a child's social interactions and displace other interests. Some gaming sites offer chat rooms and expose children to the hazards of giving away personal information to a "friend" who shares their common interest. So, again, it is important to be aware of the gaming sites your child is visiting.

The internet also provides a wealth of valuable resources for parents/guardians in their quest to keep their children safe:
