SAVE THE DATE

Please mark your calendars for our **Spring Concert**, which will be held on **June 14th** in the school gymnasium. We will have two performances – 1:30 PM and 6:30 PM. Students are most welcome to come back with families for the evening performance.

June 14th will be a “Red, White, and Blue Dress Down Day” for everyone, since it is Flag Day, and we would ask that students wear those colors for both performances.

RSVP forms have been sent home. If you haven’t already, please return that form so we know the numbers we will be able to accommodate for the evening performance.

Mrs. Sabo is putting together a slide show of both past and present service members. Please email a photo if you would like someone included – and please remember to indicate the person’s name and branch of service.

We are thrilled to be sharing with you the wonderful music that our students have been working on this year with both vocal and band presentations! All are welcome.

Please remember to send in the **Roller Skating Party** information form, if you have not done so yet. The end of year celebration will be at Horizon Fun FX on Thursday, June 15, 2023, from 6:00 PM – 8:00 PM.

2023 St. Pius Tenth School Golf Tournament and Community Fundraising Dinner

Please join us this year for our **Golf Tournament** and **Community Fundraising Dinner**. A bit different than in years past, the dinner will be held in the St. Pius Tenth Parish Center. Please note that, while we would love to see you on the golf course, you do not necessarily have to golf to attend the dinner. The registration form and detailed information is included in this week’s communication. Feel free to call with any questions.

Save the Date! The Diocese of Rochester will again be celebrating Catholic Schools Day at Innovative Field (formerly Frontier Field) for a **Rochester Red Wings Game** on June 4, 2023, at 1:05 PM. Tickets will be available only online this year, at the following link:

Moving into May

Mrs. Russell

It is hard to believe we are almost done with school! Spring break is usually a sign of the home stretch. Fifth graders have been busy both in and out of the classroom.

Springtime brings NYS preparation and testing. The students worked hard to prepare both academically and mentally for both THE ELA and math tests.

I am also proud to say there has been much improvement in our participation in the weekly rosary at church. Students take turns reading and have taken this role seriously. They are well-spoken, reverent, and focused during the rosary.

Our class recently had the opportunity to have a private tour of the church with Mrs. Legere, Sr. Jean, and Mrs. Connor. They showed us the entire church and educated us on the chapel as well as the stained glass windows.

Outside of our every day work, they have expanded their thinking in STEM activities. For Easter, they had the opportunity to work with a partner and create a structure put together by toothpicks and jellybeans.

Fifth graders have also been working with their Kindergarten buddies! They read to them, help with math and writing, and work on art projects. It's wonderful to see the connection between the children and the change that comes over our fifth graders in this role. They're showing us they're ready to move on to middle school!
