I would like to thank everyone who participated in any way in helping to make our Golf Tournament and Community Fundraising Dinner a success!

God Blessed us with a beautiful day, and a good time was had by all.

Special thanks to Mrs. Erin DiCesare, Mr. Brian Leva, Mrs. Ann Hynes, Mrs. Diane McConnell, and Mrs. Jen Sauers for the hours of time, donations, and countless hours of phone calls and organizing. Also, special thank yous to Mrs. Holly Brennan for making the centerpieces and handprint mats for our dinner and the Knights of Columbus Council 17086 for their catering services.

Our **Spring Concert** is next week!

On **June 14th** in the school gymnasium, we will have two performances – 1:30 PM and 6:30 PM.

Students are encouraged to come back with families for the evening performance.

For the 1:30 performance, each family may have 2 guests in attendance.

For the 6:30 performance, each family in attendance may have up to 10 guests.

Hopefully, you sent in your **RSVP** already, but if you have not, please let Mrs. Sabo know if you plan to attend.

June 14th will also be a **“Red, White, and Blue Dress Down Day”** for everyone, since it is Flag Day, and we would ask that students performing wear those colors for both concert performances.

We are thrilled to be sharing with you the wonderful music that our students have been working on this year with both vocal and band presentations! All are welcome.

Please remember to send in the **Roller Skating Party** information form, if you have not done so yet. The end of year celebration will be at Horizon Fun FX on Thursday, June 15, 2023, from 6:00 PM – 8:00 PM.

Have a Wonderful Rest of the Week!

Physical Education Update

By: Mr. Davis

Greetings from the gymnasium of the lovely school at St. Pius X. It's been another great year here in the gymnasium and in the classroom as well for these students and teachers. If you haven't heard, St. Pius was the #1 school in the diocese for growth in both reading and math! We are all very proud of the students and are looking forward to continued growth. There has been a lot of improvement in the gymnasium as well, and I am always happy to give a little PE update in these bulletin articles.

We can start off with the younger kids in Pre-K and Kindergarten. They bring an enthusiasm to class that is refreshing. While we may have had some tears to start out the year for our 3 year old students, we have mostly smiles and positive participation now (with only occasional tears). We have practiced a lot of bouncing with these classes, whether it be individually or trying to bounce with a partner. Coordination has improved greatly, as well as following directions and using equipment properly.

First and Second graders have been doing a stellar job in the gymnasium as well. First graders are quite the competitive bunch, which I have always appreciated about them. They bring a high energy to the gym and do need the occasional reminder to take it down a notch.

Second grade has been able to stay on task and pay attention to details in different skill activities and games, which makes the games easier to play. Some of them are definitely showing a little more maturity.

Both first and second grade are working on their underhand toss right now, and we are doing a variety of different activities with bean bag and other ball tosses. They will definitely be ready to play some corn hole this summer!

Third-Fifth grade just completed collages displaying their favorite sport, activity, team, or athlete. They did a good job and can be seen hanging on the walls around the school. As a Miami Dolphins fan, I offered extra points for any Dolphins poster and got a grand total of zero takers! In all seriousness, the kids did a great job, and I think they learned some facts they may not have known about their favorite sports/athletes. That is all I have for now!

Thanks, Tim Davis
