First, I would like to emphasize that this weekly communication tool is our **main source of sharing information** with families. On this first day of school, there will be a great deal of information coming home to you. **All forms and orders do have due dates.** Please be mindful of returning paperwork on time, to avoid missing out on events.

September 2023

Dear Catholic School Families,

Welcome to the 2023-2024 school year! I hope that you all had a restful and enjoyable summer. As we return to the classroom, our Catholic school teachers, administrators, and support staff are so excited to continue to lead, inspire, and motivate our students to grow spiritually, achieve academically, and serve others in need.

Spiritual growth will continue to be a major focus at all of our schools, as Catholic teachings are infused throughout all subject areas. Each day starts and ends with prayer, and praying is connected to all that we do. As we move through the school year, I look forward to seeing our students grow in their faith and strengthen their own personal relationships with God.

Our schools will continue to utilize I-Ready to assess, instruct, and progress-monitor our students in both reading and mathematics. The data collected this past school year continues to show our students making regular achievements, and it has become clear that our willingness to implement in-person instruction during the pandemic has resulted in a positive impact on our overall academic success.

During the upcoming school year, our schools will continue to participate in numerous service activities to help those in need in our communities, such as collecting food, clothing, and other items, as well as donating their time and talents to help others. These acts of service are vital to helping our students understand the importance of giving back to others in our communities and living a life as Jesus lived.

This year, all of our schools will be participating in our Middle States Association Reaccreditation. Each of our schools has a team of school leaders, faculty, staff, and parents who will work together on this reaccreditation process to demonstrate that we are continuing to meet high educational standards diocesan-wide. We look forward to completing this reaccreditation in the spring of 2024.

On behalf of the faculty, staff, and administration of the Diocese of Rochester Catholic Schools, thank you for your continued commitment to Catholic education. I am so excited to begin the 2023-2024 school year as your new superintendent, and I pray that you all have a safe, peaceful, and joyous school year!

God bless,

Frank Arvizzigno
Superintendent of Schools
Diocese of Rochester
