Greetings Saint Pius Tenth School Families!

We have several items to bring to your attention this week:

First, I would like to thank Mrs. Sheri McGee and Mrs. Annie Miraglia for planning the wonderful treats provided throughout Teacher Appreciation Week, as well as the many families and students who sent in items to offer thanks.

On Friday, May 6, we welcomed families to join us at our May liturgy and crowning of our Blessed Mother. It was such an absolute joy to have had so many parents, grandparents, and caregivers be witness to our amazing group of St. Pius Tenth students...we have missed you! Our next liturgy is Thursday, May 26th (Ascension Thursday). If you are unable to join in person, the Mass will be live-streamed.

Our Scholastic Book Fair was a tremendous success enjoyed by all of our students who had a wonderful time shopping for their newest reading adventures! As soon as we have the final figures, I will share them, but I know that this will add tremendously to our library and classroom collections. Thank you to Mrs. DiCesare who coordinated the entire event (no small feat) and the volunteers who helped to make it possible!

Please see the enclosed flyer for the St. Pius Tenth Parish Directory Connections event scheduled for the weekends in May. There is also an attachment with instructions for scheduling an appointment online.

Calling all Golfers!!!

The Saint Pius Tenth School Golf Tournament and Dinner is scheduled for Monday, June 6, 2022, at Brooklea Country Club. Please see the Player and Sponsor flyers in this week's communication. We would love to see you there!

A huge Thank You to our Golf Tournament Committee, Mr. Gary Mascioletti, Mrs. Erin DiCesare, Mr. Brian Leva, and Mr. Gary Snyder, for planning what is sure to be a great time!

Sunday, June 5, 2022, is Catholic Schools Day at Frontier Field! Please see the flyer this week for details and the order form for tickets. Hope to see you there!

Please mark your calendars for Thursday, June 16, 2022, from 6:00 – 8:00 PM. Our PAC has reserved Horizon Fun FX for a Saint Pius only skating event. A flyer with the details is included in this week's communications. Thank you, Mrs. Canarvis!

Finally for this week, it is with bittersweet emotion that I share with you an announcement of the retirement of Ms. Anne Virgil at the end of this school year. Anne has dedicated many years to the students of the Diocese of Rochester Catholic Schools, and her absence in our halls will most definitely leave a deep void.

We sincerely wish her many, many years of happy retirement, and we hope that she will be back to visit often!

It is also with sadness that we announce that Mrs. Meg McCann will not be returning to our front office for the 2022-2023 school year. We wish her the absolute best in her future pursuits and thank her for her service this year.

Have a Wonderful and Blessed Rest of the Week!

Pre-K4 Science Center
By: Deanna Halquist

Preschoolers are naturally curious about the world around them, and they are captivated by science! Science in our pre-K classroom is more than just making a volcano with baking soda and vinegar. We teach the students that science is wondering, questioning, and predicting.

Throughout the school year, we learn that God has given us five senses to experience and enjoy what He has created: seeing, hearing, smelling, tasting, and touching. The students are beginning to understand that they are already scientists as they observe, explore, and experiment with the materials and science tools in our classroom.

Recently I introduced our science table to the class. This is a space dedicated to scientific thinking. As the students examine the materials at the table, they ask questions, make predictions, and come to their own conclusions about how something works. The

science center also provides opportunities for social interactions, such as sharing and taking turns, as well as language development. It is a very popular center to visit!

We LOVE science!
