### **Happy Spring!**

Greetings from Saint Pius Tenth School! Just a few notes this week, as we await the much-anticipated opportunity for relaxation and recharging.

Next week is our Easter Recess. The school will be undergoing a deep cleaning, and I would like to give sincere thanks to Zach and Justin from Magar Properties who do an incredible job keeping our building clean and disinfected every day!

Quarterly Progress Reports were published on March 19. Please log in to the MSP Parent Portal to view your student's progress, as we head into the last stretch of the school year.

Our virtual Scholastic Book Fair realized a wonderful \$668.00 in rewards dollars to be used to build our resources in classrooms and the library! Thank you to all!

Please see the enclosed flyer for our upcoming Virtual Bingo Night! Thank you to Mr. & Mrs. O'Connor for volunteering to arrange this event.

As mentioned over the last couple of weeks, New York State has implemented new guidance for those travelling this Spring Break.

On April 1<sup>st</sup>, families will no longer be required to quarantine after out of state, domestic travel and testing will not be required. This applies to any families returning **AFTER** April 1<sup>st</sup>, meaning that spring break travel largely falls under this classification. Although quarantining is not required, it is still encouraged upon return. Of course, if a student is experiencing any COVID related symptoms, please keep them home from school until a doctor's note with an alternative diagnosis or a negative COVID test result is received by the school.

Please "Like" us and Share our Facebook page!

Have a most Blessed and wonderful Easter!

## What's New in 2nd Grade

The second graders have been so busy! They have been working nonstop building their skills in ELA and math and are doing a fine job of it!

We have been working so hard on finding the main idea and supporting details in a variety of informational text in ELA, Science, and Social Studies. We have been using our highlighters to identify key information for quite some time now, and the students are becoming more independent with this skill.

Paragraph writing has become the norm, and we are continuing our focus on adding as much detail as possible to develop strong, interesting paragraphs.

Math, we are practicing 3-digit addition and subtraction. We have learned strategies to help ourselves with regrouping ones and tens in addition. Regrouping tens and hundreds in subtraction can be tricky at times, but we are becoming more comfortable with it.

We enjoyed our latest visit with Mr. Wilkie not too long ago, which involved an in depth study of fossils. The students were able to make their own fossil and enjoyed the experience.

To Diocese of Rochester Schools:

The Reverend John A. Reddington Scholarship Fund was established under the Will of Father John Reddington to provide for Catholic education at any level and for college education (non-denominational) for residents of the Diocese of Rochester. A scholarship committee exists to review all applications and to select individuals to receive scholarship grants.

There is no limit on the number of times a student may apply for a scholarship. Scholarships are not automatically renewed each year. Students must reapply annually.

The Scholarship Fund is a needs-based fund, and the student must be performing to his/her potential. This past spring we had **(115)** qualified students apply for the scholarship and were able to assist **(115)** applicants.

**Scholarships awarded are in the average range of \$100.00 to \$500.00 per year. The committee will only consider those applications that indicate a family's maximum yearly income of \$60K or LESS and require proof of school registration of student attending.**

Sincerely,

James Guido
