

"I have fought when others feared to serve.
I have gone where others failed to go.
I've lost friends in war and strife,
Who valued Duty more than love of life....
I've seen challenged men become even bolder,
I've seen the Duty, Honor, Sacrifice of the Soldier.
Now I understand the meaning of our lives,
The loss of comrades not so very long ago.
So to you who have answered duties siren call,
May God bless you my son, may God bless you all."

"An Old Soldier's Prayer," by Lewis Millett

Just a few reminders this week of some important dates for the remainder of the school year:

The 2021-22 school calendar has been published. Please note the half-day professional development days. Because of differences in each school district's policies, please contact your home district for transportation information for these days.

Thank you to those who helped with spreading the mulch on our playground this past weekend. The many hands are sincerely appreciated!

Please note that we will not be changing any of the policies and protocols regarding face coverings, distancing, and disinfecting for the remainder of this school year. We await updated guidance from the CDC, New York State, and the Monroe County DOH for word on next school year.

Have a wonderful and Blessed rest of the week!

Progress

By: Mr. Nicholas C. Warner

When you look back at the year 2020-2021 what will you see? Well the first thing that you will see through any lens is a Pandemic that swept through not just our community, but our county, state, country, and world. You had the opportunity to get a vaccine and in some cases quicker than others. You may have had family members, or friends, or friends of friends have it, or you might have had it.

Whatever the case is, there was progress. From when it first hit us until now there was progress. Same thing here at Saint Pius Tenth School. Through this dark cloud we have risen like Christ rolling away the rock to the tomb and being one with us. It has not been easy, but we have been making progress one step at a time. Here at Saint Pius Tenth School we have been making progress every day since the first day of school. We have been in school with masks on, keeping 6 feet apart and hoping that things will be better.

If you look up progress in the dictionary it's a noun and it means forward or onward movement toward a destination. The example that is given is "The darkness did not stop my progress"

These next two pictures show the Third Grade class here at Saint Pius Tenth School. They were trying to climb a snowy hill. They were trying to get all of the people in the picture, trying to get every one standing and looking, and maybe even smiling.

As you can see they made it. It took several times, they fell, and there was some frustration. As a group they made it, and they showed progress.

We will continue to do hard things and show progress out of this dark time.

Thank you, and God Bless.
